Good morning

Many of you will have seen the headlines that schools and colleges in the area will close from this Friday for an extended Easter break. There is confusion in messages from the Government in that our students are classified as 'vulnerable' because they all have Education, Health and Care Plans (EHCPs) and therefore schools and colleges should remain open for them. We are seeking clarification from the Local Authority and will update you as soon as we have this information to share.

In the meantime, we are working on our home learning plans and will share these with you shortly.

We also ask that you email us ([Shirley.raw@ffc.ac.uk](mailto:Shirley.raw@ffc.ac.uk)) to let us know if you fall into the category of 'key worker' (NHS, police, teachers, delivery or food industry), a definitive list to be published by the government later today.

I appreciate this is confusing times for us all and we thank you for your continued patience and support.

Best wishes

Dr Tina Pagett
